T-Shirt Distributions and Preparation for LA Regionals

This week was a very exciting week for the Phantom Catz. Our very own Kathryn Chiu designed our teams competition shirts and buttons. Our team is very excited!

Getting To Know the Phantom Catz

Interview of the Week

Jack Marcure

Awards & Outreach

What's your name, grade, subteam, and how long have you been on the team?

- My name is Jack Marcure and I am a freshman. I am on the Outreach & Awards subteam and this is my first year on the team.

What are your goals for this season?

- My goals for this season is to win the Chairman's award and get our team a one way ticket to the World Championships.

Why did you join the team?

- I joined the team because I wanted to expand my world and try something new.

What is your favorite part of being on the team?

- My favorite part about being on this team is that I get to be with some really amazing people.

(new members only) How has your experience on the team been so far?

- My experience so far has been amazing, fun, and everything in between.
-

Interview of the Week

Sooyun Cho

Business & Marketing Lead

What's your name, grade, subteam, and how long have you been on the team?

- I am Sooyun Cho and I am currently a junior. I am the Business & Marketing lead and I have been on the team for 2 years.

What are your goals for this season?

- The goals I have for this season are getting more sponsors and going to the World Championships in Houston.

Why did you join the team?

- I was always interested in joining a big community and interacting with different people on a daily basis.

What is your favorite part of being on the team?

- My favorite part of being on this team is being able to do what I enjoy

Interview of the Week

Mason Kramer

Design Member

What's your name, grade, subteam, and how long have you been on the team?

- My name is Mason Kramer and I am a freshman. I am a member of design and this is my first year on this team.

What are your goals for this season?

- The goals I have for this season is to learn more about engineering and to learn how to work with a team.

Why did you join the team?

- I chose to join the team because I've had an interest in engineering for a long time and I thought this team would help me learn more.

What is your favorite part of being on the team?

- My favorite part about robotics is working through the new challenges

(new members only) How has your experience on the team been so far?

- My experience has been excellent so far.
-
